

**Ecobuild® Fall - Sustainable, Green and High-Performance
Solutions for the Built Environment**

**Conference: December 8-11, 2008, Exhibition: December 10-11, 2008
Washington Convention Center, Washington, D.C.**

Join AEC professionals from the private and public sector who design, construct, manage facilities, and specify building products. The Ecobuild Fall® and AEC-ST Fall® annual conference & exhibit goes beyond the typical notion of green design to cover the breadth of green building, sustainable design, renewable energy, environmental planning processes and information collaboration strategies for commercial, industrial, government and residential construction. Co-located events include FEDCon®, FEDspec®, buildingSMART Alliance National Conference, and more!

U.S. EPA Office of Solid Waste colleagues receive complimentary exhibit and keynote admission – \$45 value. Visit www.aecEcobuildfall.com for information and use promotional code **EPAF8EKC** to take advantage of this offer!

Stop by *U.S. EPA IMR Booth #319* – Obtain information related to Industrial Materials Recycling and Life Cycle Building Challenge 2 contest winners.
